Secretary Spencer Abraham
1000 Independence Ave SW
Forrestal Bldg 7A-257
Washington, DC 20585

Secretary Abraham:

It is imperative that DOE stay on track and submit a site recommendation on Yucca Mountain to the President this year. Now is the time for the federal government to honor its commitment to the receipt of spent nuclear fuel. Please send a clear signal that Yucca Mountain is the best place in the United States to permanently store spent nuclear fuel.

Sincerely,

Keith Graham
